

Angel Baby Carey

January 2, 2024 - January 2, 2024

Angel Baby Carey entered this world on January 2, 2024, in Springfield, Missouri and departed this earthly life shortly thereafter. Even though Angel Baby Carey's time was brief, the lasting impact will be felt for a lifetime and then some.

I am the mother of an angel,
And many do not know,
That I bring my angel with me,
Everywhere I go my Angel sees me at my finest,
And when I've had the worst of days.
my Angel puts blessings right in front of me,
In the simplest of ways.
A perfect little snowflake,
Or the sun shining in the sky,
Even raindrops falling down,
Or birds soaring way up high.
A precious tulip sprouting,
At the very sight of spring,
Are all gracious gifts from heaven,
that my Angel never fails to bring,
I am thankful for my Angels presence
In all the things I do,

I can't help but remember every detail.
Some see it as a tragedy,
How a loss can be so swift,
but to me, being the mother of an Angel,
is a very special gift.

Angel Baby Carey will always be remembered by mother Summer Carey and
Grandmother Elizabeth Martinez.
