

Charleen R. Eberle

January 22, 1969 - September 21, 2025

Charleen Eberle, age 56, of West Plains, passed away with her husband Frank Plachy at her side. She is leaving behind a legacy of kindness, faith, and compassion. Charleen was known throughout her community as a woman with a generous heart and an unwavering belief in the goodness of people. Her life was a testament to the power of hope and second chances.

Charleen found joy in the simple pleasures of the outdoors. She loved spending time by the river, where the flowing water brought her peace and reflection. Collecting rocks and hunting for arrowheads were among her favorite pastimes, each treasure she found a reminder of nature's beauty and the stories of those who came before.

With an open mind and an open heart, Charleen believed that everyone deserved a second chance. She was a guiding light for those struggling to find their way out of dark places, always willing to lend an ear, offer advice, or simply be present. Her compassion knew no bounds, and many found hope and encouragement through her kindness.

Charleen's faith was a cornerstone of her life. She was a praying woman who loved God deeply, and that love was reflected in the way she treated others. Her spiritual strength gave her the courage to help those in need, and she inspired others to do the same through her example.

Above all, Charleen was a good person who tried to help everyone she met. Her generosity and empathy touched countless lives, and her absence will be deeply felt by all who knew her. She leaves behind memories of laughter by the river, quiet moments spent in prayer, and the lasting impact of a life lived in service to others.

Charleen Eberle will be remembered as a beacon of hope, a lover of nature, and a true friend to many. Her legacy will live on in the hearts of those she helped and the community she cherished. May she rest in peace, surrounded by the love of God and the beauty she found in the world.

A Celebration of Life will be held at her favorite place, Patrick Bridge, on the river, this Friday at 1 p.m.
