

## Dale Walker

August 10, 1952 - December 26, 2024

Dale was born on August 10, 1952 in West Plains Missouri to his parents Virgil and Mary Walker. Dale grew up in West Plains and made many of friends over the years. Dale was in the Air Force from 1970-1974.

Dale and Ruby met in 1970 and later they got married in 1974. They were married for 50 years. Within those 50 years of marriage, they had two kids, five grandkids and three great grandkids.

Dale loved to hunt and fish. He would joke that you had to wash your hands in the lake before you could eat a snack. Dale was a man of many good things. To know him was to love him. Dale and his wife Ruby created wood crafts and sold them at craft shows for many years.

Anyone could ask him where he graduated and he would say "Hillbilly Academy." He was without a doubt, a man who loved to joke around and have a good time.

Dale is survived by his wife Ruby, their daughter Becky and her husband Chris and their daughter Emma, her fiancé Karson and their son Zayden, his son Paul and his wife Myra, their four boys, Dustin and his wife Lyndsey and their two kids Brentley, and Priya, John, Ryan, and Clayton.
