

Donna J Collins

September 20, 1959 - December 10, 2024

Donna J. Collins, 65, of Pomona passed away at Ozarks Healthcare on December 10, 2024, surrounded by her family.

Donna was quite the lady, and she loved to make everyone laugh. She wasn't your typical 65-year-old, which is what made her so unique. Donna loved rock music, and she loved to play it loud. She also dyed her hair bright colors which was fitting to her personality if you knew her. Donna loved her flowers but above all else in the world, she loved her family, especially her grandkids. Of course, she also loved her dogs, which she had a special bond with.

Donna was raised in Kansas City until about the age of 15 and then her family moved back to the Pomona area. Later, she moved to California for a while but home kept calling for her and she moved back to Pomona with her family and friends.

Donna never met a stranger and loved to help anyone. She was always giving to others and very thoughtful.

She is survived by her daughters: Melissa (Matt) & daughter Carie. Numerous Grandchildren: Bethany & Junior, Taylor, Ryan & Laila, Cheyenne, Lorenzo, Alexsus, Hannah. Numerous Great-Grandchildren: Isabella, Jacob, Dawson, Adalynn, Paislee, Aaron, Eryka, Emersynn, Jonathan. Her sister, Robin & her

two brothers, Bobby & Gary. Donna is also survived by several nieces and nephews, numerous friends and extended family.

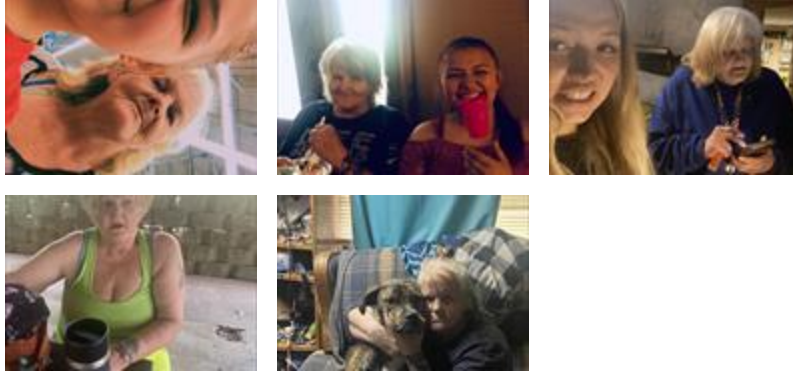

Donna was preceded in death by her parents, Wanda & Robert Hill, her brother Chuck, sister-in-law, Vicki, brother-in-law, Tommy, and two great-grandbabies Jean & Jade.

A date for a Celebration of Life has yet to be determined. If a date is determined the family will announce it and Always Faithful Memorial Services will announce it on Donna's page on our website which can be shared to any social media platform.
