“ Mrs. D was her name to me, and I do not believe that I ever called her by her real name. She had a special place in my heart. She was my collegiate mother while I was attending the superior college of OSU in Stillwater, Ok. I got to know her quite well as my neighbor while I was residing in an efficiency apartment above her detached garage. She made the best jello, even though my brother didn't think so. Thoughts and prayers to my family near her, she will be missed. Fly high Mrs. D!

“ The last time I saw Julie was when she and Bobby came to Washington state. We rode the boat up Lake Chelan to Stehiken. Bobby has been in my life since I was a baby. He has always been my favorite cousin. Bobby, Vikki and Kirk are in my prayers.
