

Kevin J. Tackitt

April 15, 1959 - March 26, 2025

Kevin J. Tackitt age 65, a beloved husband, father, papa, and uncle was Born April 15, 1959, and departed this life to the eternal heaven above on March 26, 2025, surrounded by his loving family. A devoted man of faith, he regularly attended Elijah and Moody Church of Christ. He was very active in his church and rarely missed. One of his favorite gospel songs is Old Rugged Cross. He lived life to the fullest, always ready to lend a helping hand. He was the first to jump at a call for help. His passions included fishing, hunting, and spending time with his family. Most importantly, he dedicated himself to spreading the word of Christ, truly a God-fearing man. He wanted nothing more than for everyone he knew to embrace it, and one day reunite in Heaven with the Lord. He loved gardening and was known as the master gardener; he loved a friendly competition with his son to get the first red tomato of the season. He enjoyed visiting with anyone he met; he truly never met a stranger. He was always involved with his children and grandchildren, going to every ball game that he could. He loved to wrestle with his great grandson and nephews. He also was known as the grumpy old toolman. A true master of all trades, everyone especially his grandkids always knew "if anyone can fix it, papa can." Always tinkering with different projects, he crafted knives for his friends and family and worked on vehicles with his sons and grandsons. He also loved and cherished mushroom hunting and trail riding at Cloud 9 with his family. He created memories that will always be cherished and never forgotten. If you stop and take the time to look around there will always be a

way that he left an impact.

He is survived by his loving wife Sharon “Madonna” Tackitt, who was his high school sweetheart. After finding their way back to each other they had 27 years of marriage in which he loved spending every minute that he could with her. Survived by his children Chase and Jennipher Lawing of Sturkie Arkansas, Dwight and Lindsay Tackitt of Oologah Oklahoma, Chasity and Chant Upton of Mammoth Springs Arkansas, and Kassie and Linden Blevins of Claremore Oklahoma. “ To the entire Tackitt Families, Leland, Lisa & David Bownds & Families,

My parents, Norris & Ivene Cozort and I extend our Deepest Sympathy to all of you on the passing of Kevin. We are so very sorry. We knew Kevin and his parents and siblings when they lived on Monks Street here in West Plains many years ago. Kevin was a kind caring individual and a joy to be around daily too. He was a great friend and enjoyed being around us when he was growing up in our neighborhood. He was 3 years older than me. He will be missed. We will be keeping all of you in our daily prayers and thoughts. May God daily provide comfort, strength, encouragement, and peace to each of you. May God bless each of you.

*In Christian Love,
Norris & Ivene Cozort

“ *I wasn't around him much, but the main time I remember him was last summer. Adrian had ran out of gas a little from my house. She had called him and of course he came as soon as he could. I watched this man get gas in his mouth just to pull gas out of the can to get it flowing into her vehicle. He just laughed and looked at her like "I would drink this whole thing if it meant getting you off the side of the road". You could tell his heart was big and he loved his people big. Prayers for your family.*
