

Lee Wiens

February 26, 1960 - February 15, 2025

Lee Wiens, 64, was born and raised in Dallas, Oregon. Life lead him on a path to the Ozarks years ago and he lived for a while in Ava and eventually settled in West Plains. Lee passed away on February 15, 2025, after a courageous battle with pancreatic cancer at his home.

Lee was a talented man who loved life. He enjoyed many things here in the Ozarks from canoeing, hunting for crystals & hiking, He had a green thumb and enjoyed growing his plants. He loved playing musical instruments and especially the drums.

There wasn't anything Lee couldn't do. If he came across something he didn't know how to do he would research it and study it until he could do it himself. Lee liked a challenge and to succeed at that task that he may have not had any previous experience or knowledge of. Lee was very talented and had a quiet wisdom about himself. There are some examples of his musical talent on his YouTube channel.

He is survived by his fiancé' Angie James of the family home, daughter Devin Wiggins of Kansas City, MO, daughter Deanie Seal of Kansas City, and his mother, Patricia Oleson, Oregon, two brothers: Kevin & Myron Wiens, also of Oregon and seven grandchildren; Marissa, Taylon, Josh, Tryston, Nicole, Raelyn, Jaden. He is survived by numerous other relatives and friends.

A Celebration of Life will be held at a later date to be determined in the state of Oregon. Family and Friends & Always Faithful Memorial Services will announce the date, time & location when it is scheduled.

The family would like for friends and family to share any pictures on his wall on the Always Faithful Memorial Services website under the photos & videos tab for Lee.

Patricia shared with me that you registered a star to be named after Lee. That was so wonderful of you, Tim, and a perfect memorial for him. I know he would love it! Perhaps he's able to actually go to that star now and know it's named after him. ❤️
