

McKenzie "Ashley" McClaren

August 2, 1976 - September 25, 2024

Ashley was a radiant and courageous soul whose unwavering loyalty touched hearts of everyone she knew. A natural mentor and leader, she was a beacon of light in a world often shadowed by darkness. With compassion and grace, she devoted herself to lifting up those who were broken, helping them heal, and in doing so, made the world a kinder, more beautiful place.

Her love for dance and music was boundless, a passion that could be felt in every step and note. Her laughter filled rooms, and her smile lit up even the quietest corners. Ashley was truly remarkable, selfless, righteous, respectful, and fiercely determined. To meet her was to encounter the most beautiful soul one could ever hope to find.

She is deeply loved and will forever remain in our hearts, her spirit continuing to shine brightly in all the lives she touched.
